

TECHNICAL DATA SHEET

Item: **Sodium Lignosulphonate - Y bork (Russia)**

No	Contain	Result
1	Appearance	Homogeneous powder of light- brown colour
2	Mass fraction of main substances, %Not less	66
3	Mass fraction of dry substances %Not less	92
4	Ash content relating to mass of dry Substances % not more	21
5	Mass fraction of reducing substances relation To mass of dry substances % not more	7.5
6	Hydrogen ions concentration of LST solution pH not less	5
